1.0 PURPOSE AND BACKGROUND

1.1 Purpose of this Request for Proposals (RFQ)

Hamilton Southeastern Schools recently retired a large quantity of MacBook Air laptops primarily used by students. The purpose of this Request for Quotation (RFQ) is to solicit bids and sell the surplus equipment through a fair and competitive process.

The District intends to acquire the best possible sale price for these devices and invites appropriately qualified and experienced vendors to submit a quote for purchasing all devices as described herein.

This document does not commit the District to sell the surplus equipment or to pay any costs incurred in the preparation of a response to this RFQ. Hamilton Southeastern School Corporation reserves the right to request clarification, conduct discussions with vendors and/or request additional information.

1.2 General Background

Hamilton Southeastern Schools is a large public school district serving over 21,000 students. The district consists of 13 Elementary Schools, 4 Intermediate Schools, 4 Junior High Schools and 2 High Schools. The district consists of Delaware, Fall Creek and Wayne Townships in Hamilton County, Indiana.

Hamilton Southeastern, as an innovative school community, provides an educational opportunity for each student to achieve maximum potential, to become a responsible citizen and to influence an ever-changing world community. Additional information about the district can be found at www.hseschools.org.

2.1 Equipment

Surplus Laptops

- Total quantity of laptops is 1,845. Please refer to PDF on district webpage for specific device details.

- HSE does require verification that any device found to have personal information has had it properly removed.
- No devices have any engravings but will have a barcode sticker.
- Approximately 1,600 chargers are included.
- Laptops were kept in protective case while in production. (Cases have been removed and discarded).

- HSE will accommodate any request to visually inspect the devices. Contact Tom Kouns (tkouns@hse.k12.in.us) for scheduling.

3.0 EVALUATION CRITERIA AND VENDOR SELECTION

3.1 Evaluation Criteria and Process

HSE will select a vendor and accept a quote which offers the best possible value. The most important criterion is price, but the District will also consider any value-added services that will streamline the sale process (e.g., white glove pickup, prepaid packaging/shipping, and inventory audit).

3.2 Competitive Negotiation

Hamilton Southeastern School Corporation reserves the right to request clarification, conduct discussions with vendors, to request revisions, modify the desired scope, negotiate price changes and/or waive minor informalities. The District also retains the right to negotiate the final contract terms and conditions with one or more of the most responsive vendors as solely determined by the District. All vendors who participate in the bidding process will have the opportunity to increase their offer once all submitted bids have been revealed, however, they must participate in the Zoom meeting where RFQ results are announced. Finally, HSE may discard all vendor responses if none meet the stated minimum requirements or if none are deemed in the best interests of the District.

4.0 QUOTE CONTENT

4.1 General Directions

This RFQ contains all the information and forms necessary to complete and submit a formal quote. All responses and accompanying documentation submitted will become the property of Hamilton Southeastern School Corporation at the time responses are opened.

4.2 Required Response Content

Vendors must submit an electronic copy of the quote by the due date indicated in Section 1.3 of this RFP. To assist in the evaluation process, HSE requests all quotes include the information listed below. Quotes lacking one or more of the following items may be considered non-responsive and may be rejected.

- **Price** –Vendors must submit a calculated, single price for all of the surplus equipment they are interested in purchasing. A graduated price schedule based on each device condition (Grade A, B, etc.) will not be accepted. HSE will accommodate requests to inspect the devices in advance of the proposal deadline, however, the proposed price must be determined when the bid is submitted. HSE will require a 10% down payment at the time the winning bid is awarded. The remaining balance must be collected before the devices are picked up.
- **Primary Contact Information** – Quote should include vendor key staff contact name, email address, and phone number.
- **Shipping and Delivery Information** – Vendors' quotes should also include a thorough description of the packing, shipping and delivery process.

RFQ responses should be sent to Tom Kouns (tkouns@hse.k12.in.us). Please include "HSE Laptop Surplus 2022-23" in the subject line. All vendors who submit a response will be sent a Zoom meeting link the day of the recording of proposers.
