

Employee Service Portal

Before you begin, you will need to have your Employee ID. This is either a 5 or 6 digit number. If you are not sure of your ID number, it is printed on your school ID badge. You will also need to have access to an email address. This can be your HSE email address or personal.

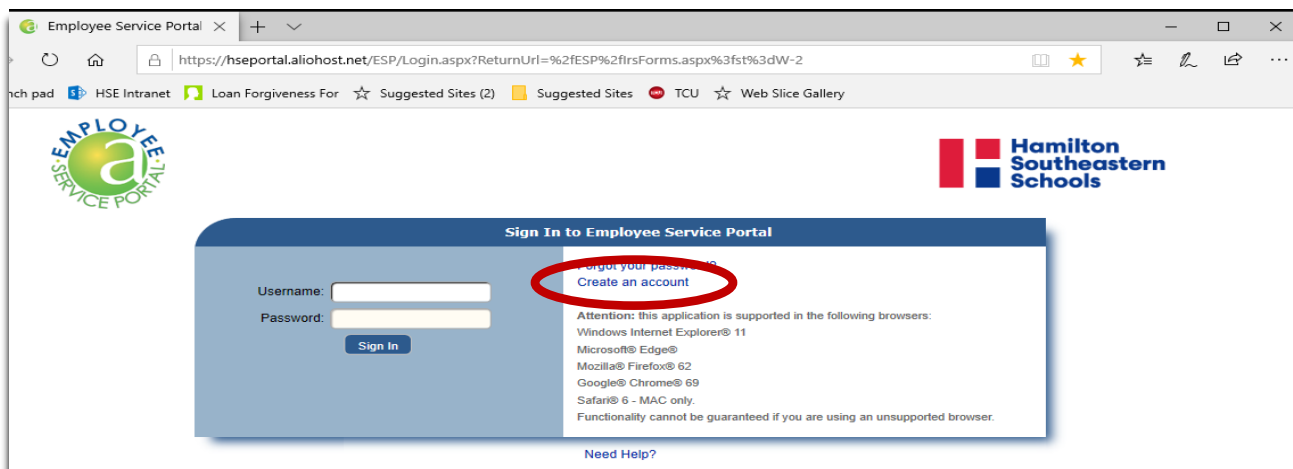

Go to [hseschools.org](https://www.hseschools.org). Select “Employees.”

Select “NEW Employee Self Serve”

Select “Create an account.”

Complete all information. Note: If your employee number is 5 digits, you must enter a “0” in front of the number. If you employee number is 6 digits, enter it as printed on your Employee ID. It is also helpful to use all uppercase when entering your First and Last Name.

You will create your username and password. Please note that the password must contain 8 characters, upper and lower case, one number and one special character.

If you complete the information and get an error message stating that the information cannot be validated, double-check the entered information.
