

The following is a list of the questions/inquiries received. The responses are being posted within the RFP timetable. Only answers posted will be considered official and valid. No respondent shall rely upon, take any action, or make any decision based upon any verbal, email, or electronic communication with any school representative or employee.

1. Is it required company share financial information with school even if confidential?
Respondents are encouraged to share *pertinent* financial information to allow school to determine the respondent is both responsive and responsible. However, respondents may mark financial information as “confidential and not for public disclosure” and such information will not be shared with outside entities or individuals in response to a public record request.
2. In lieu of financial statement, can a respondent submit a bid bond?
Yes, respondents can submit a bid bond in lieu of financial statements or they may also forward a copy of the last year’s federal tax return in lieu of financial statements.
3. Is there a preference as to bus seating capacity?
Yes, respondents are encouraged to submit proposals for buses which can sit 72 passengers.
