Student enrollment at the K-4 level has been on the rise at Hamilton Southeastern Schools for many years, with population growth shifting from west to east.
REQUIREMENTS
Redefining school boundary lines will help reach target building capacities, providing space for schools in areas of growth and accommodating the opening of Deer Creek Elementary School.

GOALS
To the greatest extent possible, we hope this will accomplish the following (in no particular order of priority):

• Provide capacity at schools with the greatest potential for growth.
• Consider overall district average for the Southeastern Elementary demographic group in Wayne Township.
• Assign students to Deer Creek Elementary, opening in fall 2022.
• Consider impact on neighborhoods and subdivisions.
• Consider stability of programs and instructional learning spaces for Exceptional Learners.
• Reduce utilization of portables in the school district.
Information presented to School Board regarding search process for company to potentially assist in redefining boundary lines

- Project goals and timeline validated by School Board
- Informational webpage published. Update sent to all stakeholder
- Community meeting scheduled. Information shared at Board meeting and via Skylert
- Community Information Meeting and Submission Form Released
- Boundary Options to be presented to School Board
- Final plan presented to Board for approval
MEETING OBJECTIVES

- Share information on process
- Review possible scenarios for redefining boundaries
- Gather community input
**CURRENT ENROLLMENT/UTILIZATION**

- This table shows the 2021-22 PK-4 enrollment and building utilization, based on permanent capacity (not including portables).

- District-wide elementary utilization currently at 97% (without portables).

- Adding capacity of Deer Creek ES will bring District-wide utilization to 94% (without portables).

| ELEMENTARY                  | 7,765      | 7967     | 97%         |

*Schools with preschool programming. The numbers include one-half of Pre-K students enrolled due to students attending part-time.

(As of 10/15/21)
Construction of new houses on the northeast-side of the school district will continue. By keeping building utilization at 80% upon opening in August 2022, leaves room for new students to enroll at Deer Creek.

TARGET ENROLLMENT: 580
BUILDING CAPACITY: 725
TARGET UTILIZATION: 80%
SCENARIO A

- Adjust boundary for Deer Creek north of I69.
  - Impacts 160 current SES students living in close proximity to DCE:
    - Blue Ridge
    - Flagstone Woods
    - Logan's Pointe
    - Summerland Park
    - Waterman Crossing

- Affects students at one elementary.
- Minimal impact to enrollment at SES.
- Does not achieve target enrollment at DCE.
SCENARIO B

- Adjust boundary for Deer Creek Elementary north of I69.
  - Impacts 160 current SES students residing in close proximity to DCE.
- Adjust boundary for Southeastern Elementary to include all neighborhoods north of 146th Street.
  - Impacts 296 current students from TCE, HPE and SCE.

- Does not assist with overcrowding issues at SES.
- Significantly lowers enrollment at HPE.
- Affects students at multiple elementary schools.
- Achieves target enrollment at DCE.
SCENARIO C

- Adjust boundary for Deer Creek Elementary north of I69.
  - Impacts 160 current SES students residing in close proximity to DCE.
- Adjust Southeastern Elementary boundary line from Silverton neighborhood, moving west towards Olio, north of Southeastern Pkwy.
  - Impacts 107 current SES students residing in this area.

- Affects students at one elementary.
- Lowers enrollment at SES.
- Achieves target enrollment at DCE.
