YMCA ELEARNING CARE

HAMILTON SOUTHEASTERN SCHOOLS

SCREENING PROCEDURES

Participant temperatures will be taken upon arrival. Anyone with a fever of 100.4 or higher will not be permitted to stay in the program. Please keep your child at home if your child has a new or worsening cough, chills, shortness of breath, and/or difficulty breathing.

HEALTH & SAFETY PROCEDURES

The following procedures are in place to help keep participants, their families, and our staff team healthy. Thank you for your support.

CURBSIDE DROP-OFF/PICK-UP

Please remain in your vehicle, and YMCA staff will meet you each morning for drop-off and afternoon for pick-up to help minimize contact.

FACE MASKS

YMCA staff will be wearing masks during the program. Participants will be asked to wear a mask during certain times. Staff will help direct when masks can be on and off.

HAND WASHING

Participants and staff will wash hands or use hand sanitizer upon arrival and frequently throughout the program.

PARTICIPANT GROUPS

Participants will be assigned to consistent groups during the program to minimize contact.

SOCIAL DISTANCING

YMCA staff are busy planning fun activities which will aim to keep social distancing as the best practice, while still allowing participants to socially interact.

PROGRAM SPACE

Groups will spread out in the program area and spend time outdoors to maximize social distancing. Surfaces and equipment will be sanitized regularly.

SAFE SPACE

There will be a designated area for participants displaying symptoms who are waiting to be picked up.

STAFF TRAINING

All YMCA staff will undergo training on COVID symptoms, screening, and safety measures.

Please note that procedures are subject to change based on new circumstances or updated recommendations from the CDC, local and state health departments, and the school district.

YMCA ELEARNING CARE

HAMILTON SOUTHEASTERN SCHOOLS

FREQUENTLY ASKED QUESTIONS

Q: WHAT WILL THE DAILY SCHEDULE LOOK LIKE?

A: There will be time set aside in the day for eLearning, meals, and other typical YMCA care activities like arts & crafts, science experiments, cooking projects, physical activity, etc. Students will receive the entire allotted time for eLearning as in accordance with the school district's eLearning schedule.

Q: HOW WILL YMCA STAFF SUPPORT E-LEARNING?

A: eLearning Care is designed to provide your child the time and space to complete their virtual assignments. Our Y staff may be able to provide some guidance, but we will not be responsible for teaching lessons or monitoring individual progress. Please review all assignments and teacher communication channels with your child prior to attending eLearning Care.

Q: WILL FAMILIES NEED TO PROVIDE ANY ADDITIONAL SUPPLIES, TABLETS, ETC.?

A: Please send your child with their own device, including a charger and headphones, each day to complete their required assignments. If your child needs physical supplies for an assignment (construction paper, markers, etc.) please pack those required materials for your student. The Y will not provide tablets/devices for children.

Q: WHAT IF MY CHILD DOESN'T COMPLETE THEIR WORK OR COMPLETES THEIR WORK EARLY?

A: Our eLearning Care schedule will provide the entire time allotted by the school district for virtual learning. If a student has not completed their work, they will still participate in Y programming activities when e-learning time is over. Students will need to complete assignments outside of eLearning Care if they don't finish during the allotted times. If a student finishes early, they may use the remaining time for independent reading, or educational games and activities.

Q: WHAT DOES MY CHILD NEED TO BRING TO ELEARNING CARE?

A: Tablet/laptop, charger for device, headphones, any required materials for assignments (i.e. paper, printed materials, etc.), refillable water bottle, lunch (if applicable), and 2 snacks. They may also bring reading materials in case they finish their eLearning assignments early.
