

PERFORMING ARTS

Reopening Plan 2020-21

Monday, July 6, 2020

Practices and workouts may begin on school campus.

*All summer activities are voluntary.

COVID-19 SCREENING

It is the expectation of parents to pre-screen and send only healthy students to practices.

COVID-19 POSITIVE PROTOCOL

Individuals must quarantine per physician's orders before returning to practice. Contact tracing will be conducted by the Fishers Health Department.

OTHER ILLNESSES

Students must be symptom and fever-free for 72 hours without the use of fever-reducing medication before returning to practice.

HEALTH AND SAFETY MEASURES

Small groups will be established and utilized for attendance, water breaks and dismissal.

Students are **encouraged** to **wash their hands** before, during and after practices or conditioning activities. Additional **hand sanitizer** will be made available.

Cleaning schedules for all utilized facilities will follow **CDC guidelines**. All hard surfaces will be **wiped down and sanitized** prior to usage.

Appropriate clothing/shoes should be worn at **all times** to minimize sweat from **transmitting** onto equipment/surfaces.

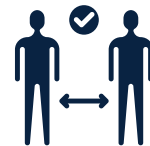

Staff (coaches, directors, managers and medical-related personnel) **should wear a face mask** at all times unless performing rigorous activity.

Students must bring all **necessary equipment** to and from home each workout, including: **filled** water bottle/jug. Water bottles **cannot be shared**. Hand **sanitizer**, clean beach **towel** and face **mask**.

Students are **encouraged** to bring only **essential** items and keep them separated in a **designated area**.

When **not directly** participating in a drill, **social distancing** (6 feet) should be **observed**.

Students are encouraged to **shower** and **wash** their clothing **immediately** after returning home.

Students who exhibit **any signs or symptoms** of COVID-19 will be immediately sent home.

PLEASE NOTE: Restrooms will be available. Locker Rooms will not be accessible during Phase I.

Stay home if...

- Fever of 100.4 or greater
- Cough
- Chills
- Rash
- Nausea
- Shortness of breath or difficulty breathing
- Diarrhea
- Muscle pain
- Congestion or runny nose
- sore throat
- New loss of taste or smell

Helpful Hints...

- Avoid physical contact when not in activity, i.e., high fives, hugs, etc.
- No Spitting
- No sharing personal items.

Take care of your emotional and mental well-being

This is stressful and anxious time for everyone. We're here to support you! Reach out to a coach or trusted adult anytime.
